Native New Yorker **Steve Cassano** has been bringing audiences to their feet for over 40 years. His repertoire includes everything from the 40s to the 80s, as well as classic rock and dance music. Steve's charisma draws the audience in as he invites them to sing and dance along.

Making Memories with Music events provide participants with opportunities to sing, clap and laugh along with our specially trained musicians. This stroll down Memory Lane will engage everyone.

The Cinema Arts Centre joins a growing number of independent community-minded theaters promoting accessibility to film for those living with dementia and their care partners.
