**The Long Island Banjo Society** was organized in 1963 as a non-profit band of mostly retired seniors who love to play the banjo while promoting "the preservation and entertainment of banjo playing." Performing with a variety of banjos and back-up rhythm and bass instruments, **they will have your feet tapping along with music you'll surely recognize.**

**Making Memories With Music** events provide participants opportunities to sing, clap and laugh along with our specially trained musicians. This stroll down Memory Lane will engage everyone.

Facilitated by **Marcy Rhodes**. For more info visit [MakingMemoriesThroughTheArts.com](http://MakingMemoriesThroughTheArts.com). Sponsors:  Lynn & Jonah Kaufman
