

THE LONG ISLAND MUSEUM PRESENTS

Afternoons @LIM

An *In the Moment* program for those with memory loss and their care partners.

Enjoy afternoons at the Long Island Museum this March. Join us for special programs designed to creatively engage those living with Alzheimer's disease and other forms of memory loss and their care partners.

THURSDAY, MARCH 12 AT 2PM

Making Memories at the Movies: Day & Night, Night & Day

Spend time with some of our favorite characters as they sing, dance and laugh the day and night away! You'll see movie clips from classic films such as *Gay Divorcee*, *Around the World in 80 Days*, *A Hard Days Night*, *A Day at the Races* and more! Recognizing that movies have the power to spark memories and create connections, this event will present an opportunity to engage in discussion while socializing with others.

THURSDAY, MARCH 26 AT 2 PM

GALLERY PROGRAM: Off The Rack

The museum's art collection consists of more than 500 paintings and 2,000 works on paper. But much of this collection usually stays out of visitor's sight, in carefully protected storage spaces. This exhibition allows us to push open the doors and empty our storage areas giving visitors a chance to see some of the rare and outstanding highlights of LIM's collection. You will enjoy a guided tour by museum educators that will spark conversation, learning, and fun!
