- ***Making Memories at the Movies:*** Movies have the power to spark memories and create emotional connections. Come enjoy clips of classic films followed by guided conversation and reminiscence.
- ***Making Memories with Music:*** Take a stroll down Memory Lane and sing, clap and laugh along with our specially trained musicians. Live musical performances will be accompanied by brief introductions to put the songs into historical context, highlighting their social significance.

Making Memories programs are run by Marcy Rhodes, a certified special education teacher and licensed master social worker.
